Press release: Confirmation body found in Old Lyme identified as missing person Charles Carr

Earlier this week a body was located in the water in Old Lyme off Osprey Road. It was believed to be the body of Charles Carr who was reported missing from Middletown on November 27, 2015.

The Connecticut State Police, the Middletown Police Department and the Office of the Chief Medical Examiner worked in conjunction to confirm the identity. The Office of the Chief Medical Examiner confirmed through dental records that the body was indeed that of Charles Carr.

No foul play is suspected at this time.

We ask that you please respect the family's privacy at this time of mourning.

Lieutenant Heather Desmond
Support Services Supervisor
Middletown Police Department
